been tempted to leave out the parts that would turn his audience against him, would sound too harsh, or would make him sound like a traitor. But by God’s command, he was not to delete parts of God’s message to suit himself, his audience, or the circumstances in which he found himself. [Jeremiah 26:2]. I tell you, there is a danger in missing the message!

Early in the reign of Jehoiakim/son of Josiah king of Judah, this word came from the Lord. “This is what the Lord says: Tell them everything I command you; do not omit a word. Perhaps they will listen, and each will turn from his evil way. Then I will relent and not bring on them the disaster I was planning because of the

evil they have done. Say to them, “This is what the Lord says: If you do not listen to me and follow my law, which I have set before you, and if you do not listen to the words of my servants the prophets, whom I have sent to you again and again [though you have not listen], then I will make your house like Shiloh and your city an object of cursing among all the nations of the earth...” Now reform your ways and your actions and obey the Lord your God. Then the Lord will relent and not bring the disaster he has pronounced against you. [Jeremiah 26:1-6; 13] (To continue reading, please visit www.wssnews.com)

DEED OF TRUST The street address and other common designation, if any, of the real property described above is purported to be: 839 NORTH K STREET SAN BERNARDINO, CA 92411. The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein. Said sale will be held, but without covenant or warranty, express or implied, regarding title, possession, condition, or encumbrances, including fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust, to pay the remaining principal sums of the note(s) secured by said Deed of Trust. The total amount of the unpaid balance of the obligation secured by the property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of the Notice of Sale is: \$392,608.15 If the Trustee is unable to convey title for any reason, the successful bidder's sole and exclusive remedy shall be the return of monies paid to the Trustee, and the successful bidder shall have no further recourse. The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (800) 280-2832 or visit this Internet Web site WWW.AUCTION.COM, using the file number assigned to this case 011378-CA. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. A Petition of Probate has been filed by JANICE STOWERS in the Superior Court of California, County of San Bernardino. The Petition for Probate requests that JANICE STOWERS be appointed as personal representative to administer decedent's estate of the decedent. The petition requests authority to administrator the estate under the Independent Administration of Estates Act. (This authority will allow the per-

sonal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.  Date: OCTOBER 17th , 2018
 Time: 8:30 A.M
 Dept: S36
 The address of the court is same as noted above. If you object to the granting of the petition, you should appear at the hearing and state your objections with the court before the hearing. Your appearance may be in person or by your attorney. If you are a creditor or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law. You may examine the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250.
