ADELANTO RESIDENTS FILE RECALL EFFORTS AGAINST THE MAYOR

City of Adelanto

Adelanto, CA. December 26, 2021-- Residents of Adelanto formed the group Adelanto Resident Delegate Committee two weeks before announcing their push for recall efforts against Mayor Gabriel Reyes from the City of Adelanto. We have filed the Letter of Intention to circulate the Recall Petition on December 15, 2021, against Mayor Reyes and the San Bernardino County Register of Voters have verified the signatures required to proceed with the recall efforts.

We are hopeful that neighboring communities will support us in our recall efforts as corruption continues to permeate the local governments of the United States of America. We would like to send a message to all elected leaders. The residents are watching and we are not afraid to take matters into our own hands.

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE MAYOR REYES: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of Adelanto, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Mayor, in the City of Adelanto, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

1. Corruption/Graft/ Conflict of Interest

- A. Mayor Reyes has received campaign funding from cannabis companies who have businesses in Adelanto. It is reported that the Mayor and City Manager are receiving bribes from cannabis entrepreneurs.
- B. Reyes approved a solar business to come into our city after receiving a \$10,000 payment to give to any church. He gave it to the church he and his wife attend. He did not abstain, and approved the solar business.

2. Lack of Integrity/Transparency

- A. Claims he wants to sit down with constituents, but spends the majority of his time outside the city. Fails to meet with constituents and lies about the reasons.
- B. Refused the residents a Special Election and continued the appointment process that was not agreed to among the council. The applicant he approved was the Former Chair of the Planning Commission and had failed to meet the deadline requirements.

3. Bigot Mindset/ Incompetence

- A. Reyes removed Councilwoman Evans from the Vice Mayor position because of the Kushstock festival and bribery scheme.
- B. Abused \$120,000 in Cares Act funding by purchasing a luxury Mercedes van.

Mayor Reyes has been irresponsible in his democratic leadership to the residents.
