

Rialto's at Risk Students and Mayor Robertson Visit NASA's Jet Propulsion Laboratory

By Naomi K. Bonman

RIALTO, CA - NASA's Jet Propulsion Laboratory (JPL) welcomed 21 Rialto students who toured the facility for President Obama's My Brother's Keeper (MBK) Initiative.

Students had visited the Spacecraft Assembly Facility, Space Flight Operations Facility, and the "Mars Yard" to see the twin of the Curiosity Mars Rover.

"I was so excited," said Rialto Frisbie Middle School eighth grader and year one Summer Bridge graduate Cassandra Alvarez, "I'm looking forward to learning more

about the Mars Rover."

The initiative, launched in February 2014, addresses persistent opportunity gaps faced by boys and young men of color and their sisters in reaching

their full potential. A goal of the My Brother's Keeper initiative is to instill a passion for Computer Science, Science, Technology, Engineering and

To ALL You Straddling the Fence Christians!

God says, [Revelation 3:15-16], “[He] knows thy works, that thou art neither cold nor hot: [He] wish thou were cold or hot. But because thou art lukewarm, and neither cold nor hot, [He’s] going to spew you out of [His] mouth.” “No man can serve two masters: for either he will hate the one, and love the other; or else he will

hold to the one, and despise the other [Matthew 6:24 and Luke 16:13]. Ye cannot serve God and mammon.” Walking with God, and holding hands with the Devil. Shame on you! How long will you be caught between two opinions, two lifestyles, two beliefs, two directions, two mindsets, two masters, two desires. “If it seems evil unto you to serve the LORD, then choose you this day Whom ye will serve...” [Joshua 24:15]. It’s all or nothing! You can’t be 50% Christian and 50% worldly. It doesn’t work that way. Jesus stated: “He that is not with Me is against Me” (Matthew

12:30). Not only is indecision a dangerous thing. It is repugnant to God mouth. [James 4:4] says, “Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God.” Trying to live for God and mammon at the same time! The Bible says it cannot be done. You must take sides. You are either following Jesus or you are following Satan. There is no middle ground. Trying to keep one foot in the world, and one foot in the church. Ain’t gonna work! Mathematics (STEM.) “This is an awesome day for the youth of Rialto, we are one of only four organizations visiting JPL today, and the only group selected from San Bernardino County,” said Rialto Mayor Deborah Robertson, who went with the students to JPL. ”It was so exciting to see the joy in the children’s faces as they learned about space and space technology.”

The City of Compton, Long Beach Neighborhood Services Bureau, and LA County Supervisor Solis’ students also attended. Each group brought youth who do not traditionally have the opportunity to visit local NASA Labs and

Centers to JPL.

The Rialto Police Department’s Officer Javier Pulido and several other community-based organizations were instrumental in identifying youth from last year’s e3p3 GIP’s Summer Bridge program that showed promise and interest in STEM.

Ten of the students selected to go on the trip are distinguished graduates from year one of the Rialto’s e3p3 Gang Intervention and Prevention (GIP) program.

“The Rialto’s GIP project targets twelve-hundred Rialto Unified School District elementary and middle school students to receive classroom instruction and become Resilient, Empow-

ered, and Directed. This field trip advances our efforts of helping youth become directed, immensely!” said Nate Van Cleve, project manager from M.H.M. & Associates.

The Rialto e3p3 GIP program receives grant funding from the Board of State of Community Corrections and is currently in its second year. A select group of approximately 100 youth take part in a rigorous and highly interactive 12-week e3p3 Summer Bridge program, each summer.

If something feels weird on Sunday, March 20, it may be because it's National Extraterrestrial Abduction Day! This day, which may have started in 2008 at a festival in Toronto, now provides the perfect reason for a Family Mystery Day at the San Bernardino County Museum in conjunction with

the museum's newest exhibit, "Mysteries at the Museum." Activities are scheduled between 1 and 4 p.m. The first order of business at Mysteries at the Museum Day will be making tin foil hats. Other activities include puzzle mysteries, platypus coloring, and discovering the differences between ravens and crows. The exhibit itself features objects from the museum collections that may not be quite what they seem. Visitors can use the scientific method to deduce what the objects are or how they were used, and then check their hypotheses. Mysteries Day and the County Museum's other exciting events and exhibits reflect the effort by the Board of Supervisors to achieve the Countywide Vision by celebrating arts, culture, and education in the county, creating quality of life for residents and visitors. Comics Rock! Convention

Five years of funny is no small feat when you are a female in a male dominated industry coordinating an annual comedy fest. In fact, it is literally not a joke. But comedienne Hope Flood has handled it with amazing finesse and style as her Comics Rock! Convention returns, April 26 to 30 at J. Anthony Brown's JSpot Comedy Club, located at 5581 W. Manchester Boulevard in Westchester, CA. Celebrating five fun-infused years, Comics Rock! Convention has become a "must attend" industry event with its presentation of workshops and seminars for aspiring comedians, actors and producers, where they network and showcase their talents. Legendary funny lady Marsha Warfield will headline the festivities moderating the highly anticipated "Comics Rock! Forum" from noon to 2:00 p.m. on Tuesday, April 26 at the JSpot Comedy Club and she will celebrity host a Comedy Night Showcase later that evening, starting at 9:00 p.m. at The Ha Ha Cafe at 4712 Lankershim Blvd. in North Hollywood. The "Comics Rock! Forum" is a special gathering where up and comers have the opportunity to ask questions and seek counsel from veteran talent. This year's

highlights also include an "Awards Dinner and Special Tribute to Michael Williams," the founder of the Comedy Act Theater, on Friday, April 29, starting at 7:00 p.m. at the Regency West located at 3339 W. 43rd St. in Los Angeles. An after party will conclude the affair. The "Comics Rock the Court Celebrity Basketball Game" also returns this year on Saturday, April 30, from noon to 4:00 p.m. at the Jesse Owens Park, 9651 S. 92407 NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 888-988-6736 or visit this Internet Web site: saletrack.tdsf.com, using the file number assigned to this case CR15-1139. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The undersigned Trustee disclaims any liability for any incorrectness of the street address or other common designation, if any, shown above. If no street address or other common designation is shown, directions to the location of the property may be obtained by sending a written request to the beneficiary within 10 days of the date of first publication of this Notice of Sale. Heart and Soul Line Dance Celebrates 12th Anniversary

By Gloria J. Ingram

POMONA, CA- Heart and Soul Line Dance celebrated its' 12th Anniversary on Saturday, March 5, at the Palomares Community Center in Pomona with a Mardi Gras theme. Harriette Coggs Stuckey, Founder/Director of the line dance organization, welcomed new and experienced line dancers to the annual event, always held on the first Saturday in March. The festive affair was sold out well in advance. An excited crowd started gathering at the entrance around 12 noon, an hour before the doors opened for admission. Many line dancers were dressed in green, purple, and/or gold...Mardi Gras colors, as well as costumes, including several ladies wearing a tri-colored tutu! Approximately 200 enthusiastic line dancers seemed to always rush to the dance floor as songs were played for popular

and standard line dances. A King and Queen presided over the event. King Ulric Jones and his Queen, Jean Woods wore royal regali, both wearing a crown, he in a royal robe and sash, she wearing a sash, beads and gold fringed attire led the diverse crowd of revelers in a customary "Second Line." The room seemed to reach a higher level of brightness because of so many happy, smiling faces. And, the floor seemed to reverberate as partygoers energetically stepped, pranced, and danced around, up and down the dance floor to lively music. One of the many highlights enjoyed by all was a delicious soul food meal of BBQ chicken, red beans and rice, collard greens, and peach cobbler prepared by Executive Chef Terry Cleveland. Other highlights included, award-

ing gift cards as door prizes and a generous donation to the American Heart Association from the proceeds of a Money Raffle. Heart and Soul Line Dance class members from Beaumont, Eastvale, Fontana, Menifee, Pomona, Rialto, Riverside, San Bernardino, and Walnut were well represented. The Line Dance Family at-large was also well represented by members of other line dance companies i.e. Jus Dancin, Martva Black and her L.A. Country Strutters, LA and Natalie Kelley, K-Stepmobile, L A. Others came from the Bay Area i.e. Novella Peterson, Shirley Jefferson, and Yvonne Carnelus. Congratulations to Harriette Coggs Stuckey for another stellar celebration of bringing line dance to so many throughout the Inland Empire and the San Gabriel Valley.

SAN BERNARDINO, CA- Almost everywhere we in the Inland Empire, whether via media outlets, social media, television, or through the windows of our cars as we go about our busy I.E. lives we see spreading signs of poverty, social disruption and in some, a fading sense of confidence. Who among us feels economically 'secure'?

The Symposium identified excellent leaders and provided opportunities for their interaction, sharing, and support. They dug deeply enough to expose not only the surface signs, but also the destructive interconnection of poverty's 'magnifier', effects across modern lifestyles. In today's world, we depend on many and

diverse kinds of knowledge, skills, and resources to advance common wellbeing. Join them !!!
